Tuition Fees 2022-2023

Dear Parents,

The persistence of the economic and financial/banking crisis that we have been going through since 2019 has meant that the education sector has become largely fragile. Given the informal dollarization of the economy, we are forced to set up a solidarity fund that will be fed by your contributions in dollars. This fund will be dedicated to funding support for teachers and service staff in order to preserve our human capital within the college and continue to ensure a quality educational service.

The amount that will be required per student for the next **school year 2022-2023 is \$450 in cash**. You will be asked to pay it in the financial department of the college in four installments and in accordance with the following schedule:

- 150 \$ before Sept. 15th, 2022
- 100 \$ before Nov. 15th, 2022
- 100 \$ before Feb. 1st, 2023
- 100 \$ before Mar. 1st, 2023

However, we inform you that the school fee in Lebanese pounds will be modified as follows:

Class	Tuition in L.L. for 2022-2023
KG1 / PS	9.500.000 L.L.
KG2 – KG3 / MS – GS	9.600.000 L.L.
Grade 1 → Grade 3 / CP → CE2	10.200.000 L.L.
Grade 4 - Grade 5 / CM1 - CM2	10.600.000 L.L.
Grade 6 → Grade 8 / EB6 → EB8	11.000.000 L.L.
Grade 9 / EB9	11.200.000 L.L.
Grade 10 / S1G	11.600.000 L.L.
Grade 11 / S2	11.700.000 L.L.
Grade 12 / S3	11.900.000 L.L.

While thanking you for your collaboration during this literally abnormal situation, we wish you, dear parents, a happy summer vacation and we pray to the Lord to help us faithfully carry out our mission in the service of our young people.

Best regards,

Principal
Sr Camelia Azzi
