Hazmieh, March 13, 2024

Dear parents and students,

For the first time, "**The Medical Campaign**" -accredited by the Ministry of Education of the United Arab Emirates- is organizing a week of medicine at our school in Hazmieh for students of all ages during the Easter holidays – this is never seen before!

Doctors and medical students will teach our students all about their human bodies in the most innovative way, using the most futuristic technologies, including Apple Vision Pro, virtual reality, augmented reality, and many other tools!

Registered students will receive certificates at the end of this week from the UAE Ministry of Education itself.
