## Calendar 2024-2025

Dear Parents,

Enclosed are the key dates for the current 2024-2025 school year, also available on the first pages of your child's school agenda.

**However**, due to the current security situation, the school has decided to **shorten the Fall (All Saints') break, which will now only occur on Friday, November 1, 2024.**

You will be informed of any further changes to holidays as needed throughout the year.

We sincerely hope for a swift return to peace in Lebanon and thank you for your understanding and cooperation.

The administration
